

Copilot Role-Based Deployment & Adoption Accelerator

Accelerate Adoption for Microsoft 365 Copilot Success

Engagement Highlights

A Microsoft partner-led service from Maureen Data Systems that helps you rapidly deploy and realize value from your Microsoft Copilot licenses

A user-centric approach that focuses on your high-value scenarios and personas for Copilot deployment

Tailored to specific roles, this accelerator ensures a personalized and effective adoption experience

A comprehensive user enablement program that includes communication, training, and engagement activities to drive Copilot adoption and usage

A data-driven evaluation of your Copilot impact and benefits using the Copilot Dashboard and user surveys

Engagement summary

Our Copilot Role-based Deployment & Adoption Accelerator is designed to provide your organization with the tools and strategies necessary for a successful deployment and adoption of Microsoft 365 Copilot for Sales, Service, and Finance. Throughout this engagement, you will receive comprehensive guidance from our specialized consultants to ensure that your team is fully equipped to leverage the capabilities of Copilot and drive meaningful outcomes.

The engagement aims to foster a culture of innovation and continuous improvement by building a robust user enablement framework and empowering your team members to become champions of the new technology. With our structured approach, we will help you navigate the challenges and opportunities that come with the adoption of Copilot, ensuring that your organization realizes the full potential of this transformative tool.

Optional and Mandatory Modules

Get Ready: Prepare for Microsoft 365 Copilot with clear objectives and stakeholder alignment.

Onboard & Engage: Successfully onboard users with training sessions and interactive workshops.

Deliver Impact: Maximize Copilot's impact by providing detailed reports and recommendations for sustained success.

Extend & Optimize: Optimize Copilot usage with advanced features and continuous improvements for enhanced productivity and business outcomes.

Mandatory Module	Mandatory Module	Mandatory Module	Optional Module
Get Ready	Onboard & Engage	Deliver Impact	Extend & Optimize
